

REVISED

STATEMENT OF PURPOSE

RS29693 / H0712

This legislation charges the Department of Health and Welfare with the responsibility of limiting the duration and scope of operating in crisis standards of care, and developing long-term capacity strategies to reasonably prepare for future surges in healthcare demand. It asserts that all existing patient rights shall be honored under crisis standards of care. It requires both the facility requesting crisis standards of care and the Department to make reports that include mitigation plans for limiting the scope and duration of crisis standards of care.

FISCAL NOTE

There is no expected impact to the General Fund.
